## Declaration and Consent

1. I acknowledge that caving, rock climbing and their associated activities are very dangerous and risky activities and that my participation in caving, rock climbing and other activities associated with the Western Australian Speleological Group may result in my serious injury or death.
2. Whilst undertaking activities with the Western Australian Speleological Group I agree to follow the instructions of the activity leader or other person in charge from time to time, and agree to exercise all possible care to ensure the safety of myself and others on the activity.
3. I acknowledge that it is my responsibility, prior to the commencement of any activities, to notify the activity leader of any medical conditions, allergies etc. to which I may be subject as well as any prescription or recreational drugs which I am taking or which may be active in my body.
4. I acknowledge that the Western Australian Speleological Group (whether by itself, employees, agents or contractors) shall not be liable for:
  - any loss, damage or injury suffered or occasioned by me as a consequence of my participation in caving, rock climbing and other activities associated with the Western Australian Speleological Group; and/or
  - any loss, damage or injury suffered or occasioned by me through the use of any facilities, equipment or programs provided, in caving, rock climbing and other activities associated with the Western Australian Speleological Group.
5. I acknowledge that I shall be participating in caving, rock climbing and other associated activities at my own risk and I will not hold the Western Australian Speleological Group or its officers, employees, agents or contractors liable for any personal injury or loss of property whether caused by the negligence of the Western Australian Speleological Group, its employees, agents or contractors.
6. I acknowledge that there is no term express or implied in any contractual relationship between the Western Australian Speleological Group and myself, that caving, rock climbing and associated activities, or any equipment provided for my use in the activities of caving and rock climbing and associated activities, will be safe for use by me.
7. In the event of an accident or illness (real or apparent), I hereby authorise the activity leader, or other person in charge at that time, to obtain such medical assistance or treatment as he or she may consider necessary in his/her sole discretion. For this purpose, the person in charge may engage any doctors, nursing assistance, hospital accommodation or transportation as required and, in this event, I agree to promptly pay all fees and expenses incurred as a result of my accident or illness (real or apparent).
